Accessible

When something can be seen or used by many different people.

Cerebral palsy

A physical disability that affects movement and posture.

Challenge

Something new and difficult that requires great strength and determination.

Connection

When 2 or more things are brought together

Differences

The qualities that make us unlike anyone else.

Disability

A condition that can make it more difficult for a person to do some activities.

Diversity

Celebrating people's differences.

Empathy

Being able to understand how someone else is feeling.

Fundraising

Coming together to raise money for a good cause or charity.

Inclusion

Allowing all people to be a part of something like a game or activity.

Movement

Anything when the body moves! You can run, swim, wheel, play and so much more.

Research

Careful study about something to learn more about it.
